Dear Ms. Boyd:

October 4, 2010 is the deadline for Hamilton-Haynes Water Works to file a performance bond with the Public Service Commission of South Carolina. We have been diligently working on acquiring the bond. As of today we have a tentative yes with an insurance company. My insurance agent left for a two week vacation today without finalizing the bond with the underwriter.

Because of the difficulty we have had getting the performance bond I am requesting a thirty day extension for the filing of the bond.

Thank you for your immediate attention in this matter and please do not hesitate to contact me if any additional information is needed.

Sincerely,

Carolyn H. Smith
